

# CINDY MARIE

COACH

## DARE TO MAKE A DIFFERENCE!

I have been on a journey of transformation, resiliency, and empowerment since I got out from being a pleaser to owning my own great life. Develop my Self-Awareness, always ready to speak the truth, a bold risktaker, love being challenged, and am always adventurous in life.

**I dare to maximize my full potential and share my passion for serving PEOPLE and unleashing YOUR TRUE POTENTIAL!**

As your tool/navigator of where you want to succeed, dive into your **BIG WHY**, where you want to improve, build battle-proof habits to serve and increase your positivity, unlock the creativity, the power you already have, and create the life and relationship, or business you want, love, and deserve. I help you embrace your authentic self, and boost self-esteem, confidence, and resiliency. And shine that out to people who need you most. I promote a wellness approach for you to THRIVE, not just to survive. Have more meaning, prosperity, and purpose—*one conversation at a time*, with **intention and commitment**, to create more possibilities and opportunities.

I serve people across the globe who are ready and committed to owning the power and unlocking their true potential!

## MY COACHING IS NOT FOR YOU...

- Refuse to embrace, and accept that YOU are 100% in charge of the work, your time, energy, and attention.
- Highly Offendable - I'm here to share my TOUGH LOVE with YOU for your highest potential.
- If you are not in a 100% HELL YES to fully COMMIT
- Not willing to expand and stretch from your comfort zone.
- Looking for a "quick-instant result" or "get rich quick." My session requires creativity, risk, refinement/cultivation, and much work over time.
- Last but not least, if you're only open with people of the same age, gender, race, ethnicity, life/health situation, and background mirror of your own - I'm not your Coach.
